Should the department determine that additional time is needed to review the application, the department, upon written notice to the applicants, the attorney general and reporter and any intervenor, may extend the time for review for a period of thirty (30) days except that, in the discretion of the commissioner, the period may be extended for an additional thirty (30) days.

SECTION 4. Tennessee Code Annotated, Section 33-2-704(f), is amended by deleting the words "department shall" and by substituting instead the words "department may".
